**Interrogatory Number 2**

In a conversation on June 17, 2003, the Enforcement Bureau clarified that Interrogatory Number 2 should be revised to read as follows:

*Identify all employees or agents of BOI who acted as a liaison to, or who were responsible for the management or oversight of the relationship with, each "appropriately qualified independent third party," as that term is used in 47 C.F.R. § 64.1120(c)(3), that BOI used to verify a consumer's request to change long distance service.*

**Response to Interrogatory Number 2**

BOI objects to this interrogatory on the grounds that it is argumentative, assumes facts that are in controversy, and purports to call for legal conclusions. Subject to and without waiving the foregoing objections, the employees or agents of BOI who acted as a liaison to, or who were responsible for the management or oversight of the relationship with, each "appropriately qualified independent third party," as that term is used in 47 C.F.R. § 64.1120(c)(3), that BOI used to verify a consumer's request to change long distance service, are Elizabeth Ontiveros Rosas and Aida Izzario.

Respectfully submitted,
